

## **NRG-0021011- TRIHAL DRY TRANSFORMER 19-21kV/400 Vac 1630 KVA 2310 A**

### **General Specifications:**

- **Type:** ELECTRICAL TRANSFORMER
- **Manufacturer:** FRANCE TRANSFO . TRIHAL
- **Model:** NFC 52 100
- **Manufacturing date:** 1994

### **Images:**

### **Specifications:**

Type of transformer equipment # 2

manufacturer FRANCE TRANSFO. TRIHAL

model NFC 52 100

number of manufacturing

year of construction 1994

production transformation to low voltage

year line integration line 1.994

overall dimensions in width resting position:

1.000 mm length:

2,000 mm height:

1500 mm weight: 3.810 kg

Power: 1600 KVA; UCC: 6%; DYn 11

High Voltage: 19,000. 21,000 V / 2.309,4 A

low voltage: 400 V -

3-cylinder, dry type Transformador
