

NRG-0031011- TRIHAL DRY TRANSFORMER 19-21kV/400 Vac 1600 KVA 2310 A

General Specifications:

- **Type:** ELECTRICAL TRANSFORMER
- **Manufacturer:** FRANCE TRANSFO . TRIHAL
- **Model:** UNE 21538
- **Manufacturing date:** 1996

Images:

Specifications:

Type of equipment: transformer # 3

Manufacturer: FRANCE TRANSFO. TRIHAL

Model: NFC 52 100

Number of manufacturing

Year of construction: 1996

Type: production transformation to low voltage

Year line integration line 1.994

Overall dimensions in width resting position:

1.000 mm length

2,000 mm height

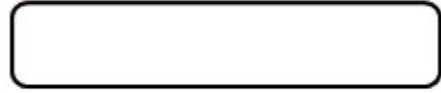

1500 mm

Weight 3.510 kg

Power: 1600 KVA; UCC: 6%; DYn 11

High Voltage: 19,000. 21,000 V / 2.309,4 A

low voltage: 400 V -

3-cylinder, dry type Transformer
